Hi all, sending over the call readout between PM and Mayor Watson. The Mayor asked for more RCMP resources to help managed the situation and mentioned that the police chief already mentioned it to Chief Lucki. No other flags.

PM call with Mayor Jim Watson

~

PM: Hi Jim!

~

JW: Hi Prime Minister.

~

PM: How are you doing my friend, this has not been an easy day.

~

JW: No, but I have to say, I watched your presser, you hit it out of the park and you hit all the right notes. This is one of the best press conferences you have done. These people had their time and need to move on. We have been trying to get this across to chief of police.

~

PM: nobody had any doubt what my position is on the whole thing. The statement is redundant but I'm happy to give it.

~

JW s.37 The turning point is the terry fox statue, the tomb, Shepard of good hope. People just can't fathom how this is acceptable.

~

PM: and all the stories, like yelling at people for not wearing a mask. But at some point some of these people will have to ask what am I doing in this crowd?

~

JW: chief of police said it's so volatile, but kept under control so far. Trucks are starting to leave, but some diehards chained themselves to this. Unfortunate for people living in residential neighborhood. They just doing themselves a disservice. Chief of police spoke to Chief Lucki, and we need a few more sources.

~

PM: that's for sure.

~

JW: we have to do this with a sense of balance, these guys are just looking for a fight.

~

PM: the remainders will have no choice but to incite as a counterbalance, so we all have to be careful.

~

JW: we really appreciate your support for cities.

~

PM: thank you for your steadfast leadership and your whole team.
